

## NOTICES OF PUBLIC INFORMATION

Notices of Public Information contain corrections that agencies wish to make to their notices of rulemaking; miscellaneous rulemaking information that does not fit into any other category of notice; and other types of information required by statute to be published in the *Register*. Because of the variety of material that is contained in a Notice of Public Information, the Office of the Secretary of State has not established a specific format for these notices.

### NOTICE OF PUBLIC INFORMATION

#### DEPARTMENT OF HEALTH SERVICES

[M14-340]

**1. Title of the substantive policy statements and the substantive policy statements numbers by which the substantive policy statements are referenced:**

SP-026-DLS-OAD: Clarification of fingerprinting requirements for residential care institutions, nursing care institutions and home health agencies

**2. The public information relating to the substantive policy statements:**

The Arizona Department of Health Services (Department) is rescinding the substantive policy statement specified in paragraph 1, effective December 1, 2014, because the substantive policy statement is no longer needed. With the changes made to the definition of "residential care institution" in Arizona Revised Statutes (A.R.S.) § 36-401 by Laws 2014, Ch. 233, the classes and subclasses of health care institution that are subject to the fingerprinting requirements in A.R.S. § 36-411 are clear. Any other clarification needed may be made as part of the rulemaking to comply with Laws 2014, Ch. 233.
